LED	y compris
Indice de rendu des couleurs	>97
canopée Dimensions	8 cm
remplacement des ampoules :	sur le site meme
hauteur totale	110 cm

Description

This Serien Lighting Curling Suspension LED Tube pendant lamp emits its light directly downwards as well as all around diffusely into the room. During mounting, the total height of the lamp is individually adjustable. The total height of the lamp with chromed steel tube is 110 cm.

The Curling Suspension Tube LED opal is available with a lamp shade in two sizes. The lamp shade of the Small lamp has a diameter of 18 cm and the shade of the Medium lamp 25 cm. The suspension lamp is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. DALI dimmable lamps and lamps with dim to warm function are also available. The lamps with dim to warm function imitate the pleasant dimming behaviour of classic incandescent lamps.
