| Dimensions | H 210 cm |

Description

The Vibia Balance 5191 is a floor lamp that makes its name honor. Due to their enormous height of 210 cm at the base, the radius of 215 cm and the possibility to vary the light arm at a height of 145 cm up to 185 cm, the Balance 5191 must be particularly balanced. The lamp base with 43 cm diameter gives it the necessary stability.

The lamp shade has a diameter of 50 cm and is 22 cm high. This makes the Balance 5191 wonderfully balanced. The Vibia Balance 5191 is available in the versions chrome and nickel matt. The lamp shade is made out of Parchment paper. The Balance 5191 has a height-adjustable lamp shade and has a cord dimmer. The on/off switch of the Balance lamp is located below the lamp shade.
