

Vibia

Puck 5400

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Jordi Vilardell
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
Depth in cm	6
Diameter in cm	16
material	aluminum, opal glass
surface	white
dimming	dimmable on site
socket/light fixture	G9
Power (max. Watt)	5 Watt
Dimensions	Ø 16 cm

Description

The Vibia Puck 5400 is both suitable for use as wall lamp or as a ceiling light made of white satin and triple blown opal glass. Aptly named for its 5400 form that is similar with a little imagination of a puck. Due to the moderate size of 16 cm diameter and 6 cm depth the puck is 5400 particularly versatile. It is also conceivable that several lights of this variation can be used.
