| Dimensions | H 9 cm Ø 19 cm |

Description

The Vibia Domo 8201 is a Ceiling mounted light. The Domo 8201 is made from aluminum. The lamp is round in cross section and is slightly beveled downwards. Because of the small shape the Domo 8201 can mounted individually or in a row. The lamp is ideal for lighting hallways or to highlight pictures, or furniture. The light from the Domo 8201 gives a diffused and beautiful light into every room. The standard version is not dimmable, on request there is also a 0-10 volt dimmable lamp. As standard, this lamp has a colour temperature of 2700 Kelvin extra warm white; on request, it is also available with 3000 Kelvin warm white or 3500 Kelvin white.
