Fold Surface 4200

Oberfläche

- brown
- green
- white

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Arik Levy
protection	IP20
Scope of delivery	LED
Depth in cm	5
material	aluminum, methacrylate
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	362
Color temperature in Kelvin	2,700 extra warm white
system performance	2 x 2.1 Watt
Dimensions	H 18 cm B 22 cm

Description

The Vibia Fold Surface 4200 is a wall mounting light. The complete lamp consists of a single lamp element with two LED light sources. This light element has a width of 22 cm as well as a height of 18 cm. The design was created by Arik Levy, who designed the Fold Surface 4200 as a lamp made of aluminum. The light is available in off-white, brown and green. All surfaces are matt lacquered. Two efficient 2.1 Watt LEDs are integrated as light sources. Particularly in combination with the many other Fold lamps, different light compositions can be created on the wall.
