### Description

The Vibia Suite 6007 is an interesting light object designed by Jordi Vilardell and Meritxell Vidal. The modern LED floor lamp is like a rack with four shelf boards. It convinced with diverse functionality. Eight efficient LEDs and a USB charging port are included.

A dimmable reading light is installed separately on the second-top shelf board. This reading light with its tilting and swiveling lamp shade has another LED. The reading light is kept in the colour mink matt Pantone 407c matte. The Vibia Suite 6007 is available in brown and white. The switches for switching the lamp on and off and for dimming the reading light are located at the bottom of the shelf below the USB connection.
