### Description

The Vibia Suite 6025 is very versatile. It has a base and also a wall mount, four shelf boards, a USB charging port and eight efficient LEDs. Whether you want to call it a floor lamp, wall lamp, table lamp or function furniture, you can decide. The extraordinary design originates from Jordi Vilardell and Meritxell Vidal. The Vibia Suite 6025 is available in brown and white.

An on-off switch is integrated at the bottom of the shelf below the USB port. Whether next to the bed, as unusual bedside table, next to the couch or as a shelf in a corner - the functional Vibia Suite 6025 makes everywhere a good impression.
