## Description

The Foscarini Lumiere 05 Grande is a table lamp, which is significantly higher with a height of 45 cm than the smaller Lumiere 05 Piccola. The designer Rodolfo Dordoni created the light with many possible combinations. So the blown glass shade is offered in white, warm white and cherry. The frame of the lamp is made of polished aluminum and is available in champagne, chrome black and aluminum.

The Lumiere 05 Grande can be switched via a cord switch. In addition, also a dimmable Lumiere 05 Grande is on offer.

The blown glass is white inside and coloured outside.
