### Description

The Serien Lighting Curling Suspension Rope LED clear is when mounted individually settable in height between 15 cm and 195 cm. The light is emitted from the lamp shade evenly downwards and to the sides. This Curling pendant lamp is available in three sizes. The Small lamp has a lamp shade with a diameter of 18 cm, the Medium lamp 25 cm and the Large lamp 33 cm.

The Curling Suspension Rope LED clear is offered with a colour temperature of 2,700 Kelvin extra warm white or 3,000 Kelvin warm white. DALI dimmable versions are also available on request. The Small and Medium lamps are also offered on request with a dim to warm function. The versions with dim to warm function imitate the pleasant dimming behaviour of classic incandescent lamps.
