### Description

The Catellani Sweet Light Chandelier is a chandelier with three, five, seven or ten spheres. The spheres hanging at different heights and each have a diameter of 10 cm. As the material for the spheres, aluminum wire is used. Each sphere contains an exchangeable LED.

Depending on the number of lights also the size or shape of the canopy vary. The pendant lights with three or five lamps have a square canopy with the dimensions 30 x 30 cm. The version with seven lamps has a square canopy with the dimensions 60 x 60 cm while the lamp with ten lamps has a round canopy with a diameter of 78 cm. If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.
