

Luceplan

Blow

Oberfläche

- multicolour (blue, green and orange)
- transparent
- transparent screenprinted

Technical details

Country of Manufacture	 Italy
Manufacturer	Luceplan
Designer	Ferdi Giardini
Year of design	1997
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
Diameter in cm	140
material	methacrylate, polycarbonate
dimming	Dimmable by optional available remote control
socket/light fixture	E27
Power (max. Watt)	105 Watt
light distribution	room light
Dimensions	H 40 cm Ø 140 cm

Description

The Luceplan Blow is a lighted ceiling fan. The ceiling fan can also be regulated with an optional remote control in light intensity and speed. It can also be regulated by the customer using a push-dimming system, for which a 5-core mains supply cable is required. There are available different rotors: in transparent, colour mix (blue, orange and green) or in transparent screenprinted. A switch for reversing the movement of rotors is also installed in the ceiling lamp. The design was developed by Ferdi Giardini in 1997.
