Dimensions	H 50 cm B 60 cm L 64 cm

Description

The Ingo Maurer 1000 Karat Blau has 20 shades of gold leaf and acrylic glass, which reflect the light of the lamp and at the same time radiate a warm atmosphere. An extension module with 18 shades is also available for this pendant lamp, which can be attached to the connection points of the standard lamp provided for this purpose. In this way, a larger system light can be individually designed.
