

Luceplan

Curl

Technical details

Country of Manufacture	 Italy
Manufacturer	Luceplan
Designer	Sebastian Bergne
Year of design	2012
protection	IP20
Scope of delivery	LED
material	aluminum
dimming	Dimmer at lamp base
Wattage	8 W
LED	inclusive
Colour Rendering Index	80
Luminous flux in lm	249
Color temperature in Kelvin	3,000 warm white
Dimensions	H 26 cm B 21 cm L 23 cm

Description

The Luceplan Curl is a table lamp with an integrated LED. The LED emits its light on the inside of the curved body, where it is reflected. The shape of the lamp base allows a different alignment and rotating of the lamp body. As a result, the light can also be adjusted at will.

The light can be dimmed via a switch in the center of the lamp base. The table light has a reflector in a mirror surface. Glare-free light is emitted. Sebastian Bergne designed the Luceplan light in the year 2012.
