<b>Luminous flux in lm</b>	1,500
<b>Color temperature in Kelvin</b>	2,700 extra warm white
<b>Diffuser diameter</b>	26 cm
<b>light distribution</b>	room light
<b>Dimensions</b>	H 57 cm

### Description

The Foscarini Buds Tavolo 1 is the tallest table lamp in this series. The designer Rodolfo Dordoni created this lamp in 2016. The light is emitted into the room and also indirectly upwards. An oval diffuser of mouth-blown, 5-layers glass is placed on a cylinder of transparent polymethyl methacrylate. This table lamp is offered in warm white. The cable of the lamp has a length of 180 cm.
