Description

This Foscarini Buds Sospensione 1 is the LED version of the lamp. The LED version contains an integrated LED with a power of 24 watts and is offered as a dimmable or a non-dimmable version. The diffuser is made of mouth-blown glass and is available in warm white. The colour of the diffuser is white when switched off. As soon as the lamp is switched on, the diffuser receives a different, warmer look. The pendant light simultaneously emits ambient light and direct, downward light. The cable has a length of 340 cm and can be shortened if required. A version with longer cable is also available on request.
