Description

This Foscarini Buds Sospensione 2 has a lamp diffuser made of mouth-blown glass and is offered in warm white or grey. While the warm white version appears white when switched off, it takes on a warmer and darker tone as soon as the lamp is switched on. This lamp is powered by a power-efficient LED. There is a dimmable and a non-dimmable lamp.

Light is emitted both into the room and directly downwards. During installation, the height of the pendant lamp can be set individually.
