Original 1227 Mini Table Lamp

Oberfläche

- black
- grey
- white

Technical details

Country of Manufacture	 United Kingdom
Manufacturer	Anglepoise
Designer	George Carwardine
Year of design	2015
protection	IP20
Scope of delivery	LED 230 Volt
Projection in cm	16
material	cast Iron, steel, Textile
cable length	180 cm
socket/light fixture	E14
switchability	at the base
Power (max. Watt)	10 Watt
LED	inclusive
Shade diameter	13 cm
Shade height	14 cm
lamp stand dimensions	length 13, width 13 cm
bulb exchange	on site itself
Dimensions	H 52 cm

Description

The Anglepoise Original 1227 Mini Table Lamp has a fixed lamp arm and a rotating as well as swivelling lamp head. The table lamp is available in dove grey, linen white and jet black. The classically shaped steel lamp head is 14 cm high and has a diameter of 13 cm. All versions have a glossy paint finish. The pyramid-shaped base is made of cast iron with steel cover. An on/off switch is integrated on the base. The fabric cable of this lamp is 180 cm long. The table lamp can be operated with LED retrofit lamps. The original design for the Original 1227 light series was already created in 1933 by the industrial designer George Carwardine and is still produced in its original form today.
