Description

The Nyta Pretty Small has a height of 18.1 cm and a diameter of 16.4 cm. The lamp shade focuses the light and emits it directly downwards. This lamp is available in white matt, white glossy, black matt and black glossy. The shades of all versions are made of steel. Depending on the surface, the steel is painted either matt or glossy. Both black versions are supplied with black canopy and cable, the white versions with white canopy and cable. As standard, the textile cable has a maximum length of 300 cm and can be shortened if necessary. A cable length of 500 cm is also available on request. The pendant lamp can be dimmed by the customer and can be operated with halogen lamps or LED retrofit lamps.
