### Description

The Vibia Wireflow 0378 pendant lamp reinterprets the concept of a chandelier by applying avant-garde simplification. This makes this light a unique design product - stylishly modern reduced to the essentials and at the same time a striking, present form. A total of 42 LEDs with glass diffusers are integrated on several levels in this pendant lamp. The light can be dimmed on site, on request there is also available a version that can be dimmed via smartphone with Casambi module. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. If you like to order this article, please specify the length / distance between the ceiling and the lower edge of the lamp under the item Order Review in the field Order Comment.
