Description

The Vibia Pin 1692 wall lamp has a lamp arm with a length of 70 cm. The lamp can be mounted both horizontally and vertically on the wall. Its head can be turned in both directions at an angle of 45 degrees and tilted outwards by 45 degrees. The light is emitted to the wall or ceiling from where it is reflected. This lamp is offered in warm-white, black, green and cream. All versions are matt lacquered.
