Designer	Arik Levy
Year of design	2016
protection	IP20
Scope of delivery	LED
Projection in cm	250
material	aluminum, carbon fiber, methacrylate, stainless Steel
cable length	250 cm
height adjustment	height adjustable
dimming	Dimmer at lamp base
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	2,538
Color temperature in Kelvin	2,700 extra warm white
system performance	2 x 9 Watt
Dimensions	H 355 cm

Description

The Vibia North 5600 is a floor lamp with two lamp shades of the same size. The light is emitted by both shades directly downwards. The design of Arik Levy is very elegant, innovative, dynamic and extremely flexible. The lamp arms are arranged in different angles. During installation, the lamp arms can be mounted in different positions in relation to each other. The height of the lamp shades can be adjusted even after installation. The lamp is available in the surfaces black, blue, white and beige. All versions are matt lacquered. The North 5600 floor lamp can be mounted with or without plug. A dimmer button is integrated in the centre of the base.
