

Stilnovo

Mongolfier P2

Oberfläche

- nickel
- black
- rose

Technical details

Country of Manufacture	 Italy
Manufacturer	Stilnovo
Designer	Linea Light Group
Year of design	2017
protection	IP20
Scope of delivery	LED
Diameter in cm	40
material	Iron, polycarbonate
height adjustment	height determinable
dimming	on site dimmable with a trailing edge dimmer
Wattage	16 W
LED	inclusive
Colour Rendering Index	90
Luminous flux in lm	1,000
Color temperature in Kelvin	Dim to warm
light distribution	directly
total height	240 cm
Dimensions	H 40 cm Ø 40 cm

Description

The Stilnovo Mongolfier P2 is a pendant lamp that wraps around itself, until it takes on the contours of a circular airy shape. It is available in black painted metal, rose gold or black nickel finish. Perfect for lighting a dining table or living room, its vintage hints are also ideal for creating the right atmosphere in a restaurant or bistro. Warm Tune™ dimming technology allows the light from the LED source to be varied in intensity and colour temperature.

The brand new Warm Tune technology, through its cutting-edge LEDs, evokes the old incandescent lamps. The lower the intensity, the warmer and softer the light, until a candle effect is reached. The arrayLED source and the study of the dedicated optical units ensure unprecedented visual comfort, a perfectly clean light cone and a high colour rendering index (CRI92): the same characteristics are found when the lamp is set both at the maximum intensity, with a 3,000 Kelvin colour temperature, and at the minimum intensity, with a 1,800 Kelvin colour temperature. This pendant light is suitable for cluster compositions and dimmable on site. With an optional Casambi module it can also be dimmed via Smartphone App.
