### Description

The Vibia Structural 2612 is a wall light that marks coordinates with a rectilinear language, connects points of light in space, relates planes and underlines the architectural dimension. Indirect lighting and composition based on volumes clarify light and shade. This lamp is available in light grey and dark grey surfaces, all surfaces are matt lacquered. On request, this ceiling light is also available with a colour temperature of 4,000 Kelvin. A DALI dimmable version or a with Casambi module by Smartphone App dimmable version are also offered on request. The lamp with Casambi module can be operated by smartphone or tablet with the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
