## Structural 2645

### Oberfläche

- dark grey
- light grey

### Technical details

<b>Country of Manufacture</b>	 Spain
<b>Manufacturer</b>	Vibia
<b>Designer</b>	Arik Levy
<b>Year of design</b>	2018
<b>protection</b>	IP20
<b>Scope of delivery</b>	LED
<b>material</b>	aluminum, polycarbonate
<b>dimming</b>	1-10V dimmable
<b>LED</b>	inclusive
<b>Colour Rendering Index</b>	>90
<b>Luminous flux in lm</b>	7,720
<b>Color temperature in Kelvin</b>	3,000 warm white
<b>system performance</b>	1 x 9 + 1 x 15 + 1 x 30 Watt
<b>Dimensions</b>	H 21 cm   B 120 cm   L 120 cm

### Description

The Vibia Structural 2645 is a ceiling light that consists of two crossed light rods and three differently sized lights. All three lamps emit their light directly downwards. This ceiling lamp is available in light grey and dark grey surfaces. Both versions are matt lacquered. The Structural 2645 has a colour temperature of 3,000 Kelvin warm white as standard and can be dimmed on site with 1-10 volts. The lamp is also available on request with a colour temperature of 4,000 Kelvin white. DALI dimmable versions are also optionally available on request, or versions that can also be dimmed with an optional Casambi module via Smartphone App. The lamp with Casambi module can be operated via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer.
