Tempo 5778

Oberfläche

- graphite-grey
- creamy white
- green
- red

Technical details

Country of Manufacture	 Spain
Manufacturer	Vibia
Designer	Lievore Altherr
Year of design	2018
protection	IP20
Scope of delivery	LED
Diameter in cm	24
material	aluminum, glass, steel
height adjustment	height determinable
dimming	1-10V dimmable
Wattage	4 W
LED	inclusive
Colour Rendering Index	>90
Luminous flux in lm	415
Color temperature in Kelvin	2,700 extra warm white
canopy dimensions	16 cm
total height	200 cm
Dimensions	H 44 cm Ø 24 cm

Description

The Vibia Tempo 5778 is a pendant lamp with a mouth blown glass diffuser. The diffuser is made of oval shaped opal glass and has a diameter of 24 cm at its widest point. An LED with a colour temperature of 2,700 Kelvin extra warm white is integrated as a light source. On request, this lamp is also available with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. The pendant lamp is available in the surfaces graphite-grey, green and cream-white. The surfaces are matt lacquered. The LED can be dimmed on site with 1-10 volt or push. On request, versions are also available which are dimmable with DALI or which can also be dimmed with an optionally available Casambi module using a smartphone app. The cable length can be shortened if required. Special cable lengths are also available on request. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. The Casambi technology also offers the option of switching the light on at specific times via a timer.
