Description

The Vibia Palma 3718 is a wall lamp with three diffusers and a plant pot attached to a vertical rod. The diffusers emit glare-free ambient light and are made of hand-blown glass. The lamp is available in graphite grey and white surfaces. All surfaces are matt lacquered. Six LEDs with a colour temperature of 2,700 Kelvin extra warm white are integrated as illuminants. On request, the wall light is also available with a colour temperature of 3,000 Kelvin warm white or 4,000 Kelvin white. A DALI dimmable version is also offered on request.
