### Description

The outdoor floor lamp Atticus B/40 from Bover has a stainless steel rod. The total height of this floor lamp is 40 cm, the lamp shade is 17 cm high and has a diameter of 20 cm. The base of the Atticus B/40 by Bover has a height of 13 cm and a diameter of 14.8 cm. The lower part of the lamp base is cast in concrete or dug into the ground so that the lamp only has a visible height of 40 cm from the outside. The lamp shade made of a UV-protected, hand-woven polyethylene braid is available in the surfaces light beige and brown. The lamp rod of the version with a lamp shade in light beige have a lamp rod in white. The version with a brown shade has a stainless steel rod in graphite brown. The light of this outdoor floor lamp shines through the woven polyethylene structure. The Bover Atticus B/40 is weatherproof and protected against UV radiation thanks to its IP54 protection class.
