

Ingo Maurer

Canned Light LED

Technical details

| | |
|------------------------------------|---|
| Country of Manufacture |  Germany |
| Manufacturer | Ingo Maurer |
| Designer | Matthias, Christoph |
| Designer 2 | Szech, Hagen |
| Year of design | 2003 |
| protection | IP20 |
| Scope of delivery | LED 230 Volt |
| Projection in cm | 18 |
| Diameter in cm | 9 |
| material | aluminum, stainless Steel |
| beam angle | 36 degrees |
| cable length | 200 cm |
| height adjustment | height adjustable |
| dimming | on site dimmable with a trailing edge dimmer |
| socket/light fixture | GU10 |
| Power (max. Watt) | 5.5 Watt |
| LED | inclusive |
| Colour Rendering Index | 97 |
| Luminous flux in lm | 375 |
| Color temperature in Kelvin | 3,000 warm white |
| bulb exchange | on site itself |
| Dimensions | H 15 cm Ø 9 cm |

Description

The Ingo Maurer Canned Light LED has a Campbell's Tomato Soup can as a light shade. This is a tribute to the famous image of Andy Warhol. Inside, a replaceable LED retrofit is to be integrated. This light can be used as a pendant or wall light. The height of the pendant lamp can be infinitely adjusted with a pulley and an adjustment ring. The Canned Light LED is suitable for surface or flush mounting as well as with power cord and switch. The cable has a standard length of 200 cm and can be shortened if necessary.
