#### Description

The Ingo Maurer La Festa Delle Farfalle pendant lamp has 34 white butterflies mounted on different levels. The arrangement of the individual butterflies can be changed at will. Three bulb-shaped LEDs are integrated into the lower part of the lamp. These LEDs emit their glare-free light both downwards and upwards onto the butterflies. In addition to the 34 white butterflies, the lamp also has a green dragonfly attached to the lower part of the pendant lamp. This lamp has a height of 85 cm. As accessories, a set with 34 black butterflies and a red dragonfly is available, which can be partly or completely attached to the lamp instead of the supplied insect figures. The integrated LEDs can be dimmed on site. This pendant lamp has a cable length of 250 cm and is height adjustable.
