

Catellani & Smith

EC 301

Version

- black
- white

Technical details

Country of Manufacture	 Italy
Manufacturer	Catellani & Smith
Designer	Enzo Catellani
Year of design	2019
protection	IP20
Scope of delivery	LED
material	brass, glass, metal
dimming	on site dimmable with a trailing edge dimmer
Wattage	5 W
LED	inclusive
Colour Rendering Index	80
Luminous flux in lm	600
Color temperature in Kelvin	2,700 extra warm white
bulb exchange	on site itself
Wall mount dimensions	9 cm
Dimensions	H 12 cm

Description

The Catellani and Smith EC 301 is a wall or ceiling lamp with a lamp head that can be swivelled up to 350 degrees. The lamp head can also be tilted by 90 degrees. The light of the LED integrated in the head is bundled by a glass lens. Part of the light is emitted directly downwards, creating a light effect on the wall behind the lamp. Depending on the setting of the lamp head, the light distribution changes so that the light can also be emitted indirectly upwards or sideways. The lens can be replaced if necessary. The lamp is available in black or white versions. The wall or ceiling bracket of the EC 301 has a diameter of 9 cm and a depth of 3 cm. The wall or ceiling light can be dimmed on site.
