### Description

The Karman Alibabig Outdoor Floor Lamp H625V-EXT is a white fiberglass wall and stand outdoor light lamp. When the light is off, the material is opaque. Once the light is on, the material becomes translucent and produces excellent lighting effects. Flat on one side, this lamp can be placed on the floor in a horizontal position, but can also be placed upright and on the wall. The light illuminates the entire lamp, from the base to the lampshade. The white Karman Alibabig floor lamp H625V-EXT is 130 cm long, 73 cm wide and 48 cm high. The base of this extraordinary lamp has a diameter of 58 cm. The Karman Alibabig floor lamp H625V-EXT is weatherproof and protected against water jets thanks to its IP65 protection class. The green connecting cable of this lamp is 500 cm long. The four lamps supplied can be replaced thanks to the E-27 sockets used.
