## Description

The Brokis Ivy Floor is a floor lamp with a height of 170,50 cm. Its mouth-blown glass has a matt acid-etched surface on both sides. The light is always emitted glare-free into the room by the lamp. The glasses are available in the colours smoke grey, light pink and triplex opal. The lamp is offered with a white or anthracite grey surface. The lamp base with a diameter of 41 cm has the matching surface to the lamp. This lamp has seven G4 sockets.

Each light will be packaged and shipped with a quality paper envelope containing the installation manual, white cotton gloves for gentle handling of the light, a certificate of authenticity, and the BROKIS Small Catalogue. Upon opening the box, you'll find a QR code that will take you to a brief video on how to safely unpack your new light and get started as well as detailed information on how to properly clean BROKIS lights.
