<b>Color temperature in Kelvin</b>	2,700 extra warm white
<b>canopy dimensions</b>	7 cm
<b>bulb exchange</b>	at the manufacturer / at the factory
<b>total height</b>	120 cm
<b>Dimensions</b>	H 23 cm   B 39 cm   L 64 cm

## Description

The LDM Wyng Cube pendant lamp is made of transparent acrylic glass and is printed with a precise square pattern.

**The displayed image shows the product with dot pattern instead of square pattern.**

An LED is integrated as illuminant, which produces even and absolutely glare-free light. When mounted, the lamp can be suspended at a downward or upward angle. If the lamp is tilted downwards, the square grid is located on the upper side of the lamp and the greater part of the light is emitted downwards. The pendant lamp is available in white, silver metallic and bronze. The canopy is always in the matching surface.

The LDM Wyng Cube is offered in two versions: dimmable on site with a leading or trailing edge phase dimmer or with an integrated Casambi module. The version with Casambi module is dimmable with the Casambi App via Bluetooth by Smartphone / Tablet. If required, the ropes of the Wyng Cube can be shortened. It is also available with special rope lengths on request. In addition to this pendant lamp, the Wyng Dot is also part of the lamp series with a dot grid on the acrylic glass.
