Description

The Knapstein NELE-S floor lamp has a jointed arm that can be aligned as desired via two joints. The lamp head can be adjusted individually and at any time via a swivel and tilt joint independently of the jointed arm. The maximum projection of the lamp is 66 cm. A rod with push button dimmer is mounted next to the lamp rod. The NELE-S from Knapstein is available in matt brass and matt nickel-plated surfaces. Four LEDs each with a colour temperature of 2,700 Kelvin extra warm white are integrated as light sources.
