<b>Total luminous flux in lm</b>	2,400
<b>light distribution</b>	directly
<b>Dimensions</b>	H 7 cm   B 12 cm

### Description

The rectangular SLV Eskina Frame WL Double LED wall lamp is 11.5 wide, 28.4 cm deep and 7.3 cm high. The two rotatable lamp heads inside the anthracite-coloured LED lamp made of aluminium provide a flexibly adjustable light emission. The colour temperature of the Eskina Frame WL Double can be changed from 3000 Kelvin warm white to 4000 Kelvin white with a switch (CCT Switch) integrated in the lamp, if required. With IP65 protection, the Eskina Frame WL Double by SLV is ideal as an outdoor light, as it is dustproof and protected against water jets from any angle.
