

Loom Design

Odin

Technical details

Country of Manufacture	 Denmark
Manufacturer	Loom Design
protection	IP65
Scope of delivery	LED
material	aluminum, safety glass
Wattage	22 W
LED	inclusive
Luminous flux in lm	1,900
Color temperature in Kelvin	2,700 extra warm white
Dimensions	H 90 cm B 16 cm L 16 cm

Description

The Loom Design Odin bollard lamp is well suited as an outdoor lamp with IP65 protection, as it is dustproof and protected against water jets from any angle. The light is emitted directly downwards from the lamp and illuminates the ground homogeneously in a radius of 360 degrees. The Odin has a height of 90 cm and is 16 cm wide as well as long. It is made of black die-cast aluminum and aluminum profiles. In front of the light source there is clear safety glass, which is particularly shock and impact resistant as well as insensitive to temperature differences. The bollard light is operated with an integrated LED that has a colour temperature of 2,700 Kelvin extra warm white.
