Description

The Bomma Blimp Pendant Large is a pendant lamp with a diameter of 60 cm. Inclusive of its suspension, it has a height of 82 cm. Each glass is made of crystal glass and mouth-blown in individual production, therefore small bubbles or irregularities in the glass can occur. The pendant lamp is offered in the glass colours clear or amber. Its metal suspension is black matt powder-coated. The supplied cable has a maximum length of 250 cm and can be shortened if necessary. Special lengths for the cable are also offered on request. The Blimp pendant lamp is operated with an integrated LED with a colour temperature of 2,700 Kelvin extra warm white.
