| LED | inclusive |
| canopy dimensions | 6 cm |
| Shade height | 37 cm |
| bulb exchange | on site itself |
| Dimensions | H 47 cm Ø 23 cm |

Description

The Bomma Lantern Pendant is made of mouth-blown crystal glass. The pendant lamp has a diameter of 22.5 cm and is 47 cm high including the suspension. Each glass is mouth-blown individually and is therefore unique, so that the colour shade and intensity can vary.

The Lantern pendant lamp is offered in the glass colours clear and smoky grey. During the production of the smoky grey glasses, clear crystal glass is mixed with coloured glass so that the glass colour does not fade. The metal suspension is available in steel black matt powder-coated and brass gold patinated. The canopy has the matching colour to the suspension. The versions with black suspension have a black cable, the other versions have mocha brown cables. As standard, the lamp is supplied with a 250 cm cable, other cable lengths are available on request. The cable can be shortened if necessary. The E27 socket of the lamp is operated with a replaceable LED retrofit.
