Description

The Bomma Lens Pendant is made of clear glass that is painted by hand. Each glass is finished by hand, so small bubbles or irregularities may appear in the glass. The Lens Pendant is offered in the glass colours clear, amber, white, smoke grey and grey blue. On request, the lamp is also available hand-painted in any RAL colour. The suspension is in brushed golded brass. The transparent cable has a maximum length of 250 cm and can be shortened if necessary. Special lengths for the cable are also available on request. The Lens has a G4 socket that is operated with a replaceable LED retrofit. The pendant lamp is also offered on request as a chandelier with up to 26 lamps on a canopy.
