Year of design 2020
protection IP20
Scope of delivery LED
material aluminum

beam angle 38 degrees
cable color black
cable length 237 cm

**dimming** Push button dimmer at the light rod

Wattage 11 W
LED inclusive
Colour Rendering Index >90
Luminous flux in Im 800

**Color temperature in Kelvin** 2,700 extra warm white

lamp stand dimensions25 cmlight head dimensions10 cm

**bulb exchange** at the manufacturer / at the factory

**Dimensions** H 122 cm

### **Description**

The Mawa Pure floor lamp LED has an adjustable lamp head. Via a practical, chrome-plated handle, the lamp head can be rotated by 360 degrees and swivelled by 90 degrees. In addition, the lamp rod can be tilted by 22 degrees so that the light of the lamp can always be redirected.

The Pure floor lamp LED is available in the surfaces black matt, white matt, sand silver and basalt grey matt. The integrated LED has a colour temperature of 2,700 Kelvin extra warm white. A push button dimmer is integrated in the upper part of the lamp rod, with which the floor lamp can be switched and dimmed. A single, short press of the push button dimmer switches the light on or off. The light can be dimmed continuously by pressing and holding the button. The memory function saves the last light intensity setting and automatically sets it again the next time the light is switched on.
