<b>socket/light fixture</b>	E27
<b>Power (max. Watt)</b>	60 Watt
<b>canopy dimensions</b>	9 cm
<b>Dimensions</b>	H 29 cm   Ø 24 cm

### Description

The Mawa Bergamo is a pendant lamp from the Gangkofner Edition, which was already designed by Aloys F. Gangkofner in the 1950s. Here, the lamp is offered with a mouth-blown glass in chrome metallised. The glass has a height of 29 cm and a diameter of 23.7 cm. Each glass is elaborately hand-finished, which may result in small bubbles or slight deviations in size and glass thickness. These are always a sign of quality craftsmanship. If necessary, the glass can be removed at any time for cleaning. The Bergamo by Mawa is also available in clear and smoke glossy as well as opal white matt and rose-gold metallised.

As standard, the Bergamo Chrome is supplied with a 250 cm long black cable. Other cable lengths and colours are available on request. Mounting and ceiling canopy are both in black. The lamp has an E27 socket that can be operated with halogen lamps or LED retrofits. On request, the Bergamo by Mawa is also available with a mounting in white, brass or rose-gold. The canopy of the white suspension version is also completely white. In the rose-gold and brass versions, it is available in white or black on the outside. For these two lamps, the canopy has the same colour on the inside as the suspension.
