The rubber cable can be integrated into the wooden frame so that it is not visible from the outside. This floor lamp has an E27 socket and can be operated with an LED retrofit. The diffuse, glare-free light is emitted through the textile lampshade.

The Linn High Vertical is available in the shade colours white and bronze grey. The frame of this lamp is in oak smoked. This lamp is also available with a oak natural frame. On request, the lampshade is also available in felt with an acoustic, sound-absorbing effect.
