Technical details

Country of Manufacture	 Germany
Manufacturer	Domus
Designer	Philipp Best
Year of design	2008
protection	IP20
Scope of delivery	Leuchtmittel/Bulb
material	aluminum, Lunopal, Textile, wood
dimming	cord dimmer
socket/light fixture	E27
Power (max. Watt)	100 Watt
shade color	white
lamp stand dimensions	63 cm
total height	178 cm

Description

The Domus Wai Ting floor lamp is offered in three surfaces: White oak, black oak and maron oiled. The rings are made of aluminum. Its lamp shade is made of Lunopal, a high-quality material developed by Domus for its lamp shades. Lunopal is white transparent and reminiscent of fine Japanese paper. It is thermally highly resilient, so that it can withstand temperatures of up to 100°C. This completely environmentally friendly material is UV-resistant, washable and does not yellow. The Wai Ting floor lamp is available with a textile cable in the colours red or anthracite. A foot dimmer is integrated on the textile cable.
