<b>socket/light fixture</b>	E27
<b>Power (max. Watt)</b>	45 Watt
<b>shade color</b>	white
<b>Shade diameter</b>	25 cm
<b>total height</b>	172 cm

### Description

The Domus Pollo floor lamp is 172 cm high in total. Its lamp rod and its lamp arm can be plugged together in opposite directions or in the same direction during assembly. The lamp is offered in the surfaces beech or black. The black lamp has a cherry-black mix: the lamp arm and rod are in black, whereas parts of the lamp base and the joint are in cherry.

The lamp shade of the Pollo is made of Lunopal, a high-quality material that Domus has developed for its lamp shades. Lunopal is a white transparent material that reminds of fine Japanese paper. It is UV-resistant, washable and does not yellow. As it is thermally highly resilient, it can withstand temperatures of up to 100°C. There is a hand dimmer on the supply line.
