## Description

The circular LED ceiling lamp is 6.6 cm high and 67 cm wide. The Knapstein remote control supplied makes it possible to control the uplight and downlight individually, adjust the brightness and change the light colour. The Knapstein SOLEA offers the option of parallel dimming of the previously set light colours and light intensities. Delivery includes the Knapstein remote control made of aluminium with glass cover. This LED ceiling lamp creates a lighting effect with light and shadow. The SOLEA LED ceiling light from the German manufacturer Knapstein is made of brass and is available in different surfaces.
