Descripción

The K-meral MELA Wall Lamp comprises a lampshade out of porcelain and a socket coming with an integrated dimmable transformer out of brushed stainless steel. This lamp is classically shaped like a goblet or a funnel. The colourplay of yellow and orange is a speciality to be seen when the MELA Wall Lamp is switched on. The K-meral MELA Wall Lamp radiates a direct neutral light onto the ceiling as well as the wall. Moreover it scatters a warm diffuse lighting into its surrounding.
