material	metal, polietileno
superficie	blanco
longitud del cable	240 cm
ajuste de altura	altura determinada
Atenuación	Regulable en el sitio
base/portalámparas	E27
Alimentación (máx. Watt)	25 Watt
El flujo luminoso en lm	1.400
Temperatura de color en grados Kelvin	2.700 extra blanco cálido
distribución de la luz	difuso
altura total	279 cm
Dimensions	H 39 cm B 41 cm L 46 cm

Descripción

The Foscarini Outdoor Gregg Grande Sospensione is a pendant lamp suitable for outdoor usage. The shade of the Outdoor Gregg is made of polyethylene. Depending on the connection options, the lamp has a protection rating of IP44 (with plug connected) or IP65 (with clamp). With IP44 protection, it is protected against splash water from all sides and solid foreign bodies with a diameter of at least 1 mm. With IP65, the lamp is dust-tight and protected against water jets from any angle. The versatility of the Outdoor Gregg also comes from the repertory of three different sizes offered. The Outdoor Gregg Grande is the medium-sized of the three pendant lights of the Outdoor Gregg series. The cable length can be determined. Also a version with a longer cable is offered.
