| <b>distribución de la luz</b>   | difuso   |
| <b>Dimensions</b>               | H 53 cm  |

### Descripción

The Oluce Lyndon 160M is a wall lamp for outdoor use. The structure of the lamp is made of galvanized metal, which was painted black. The spherical diffuser of Lyndon 160M is made of transparent polycarbonate. The designer Vico Magistretti had the vision of a peaceful evening stroll at dusk in a beautiful park, when he designed the Lyndon series in 1977. The Oluce Lyndon 160M is the smaller of two wall lamps of the series.
