material	acero, polietileno, poliuretano
superficie	blanco
base/porta lámparas	E27
Diamètre de l'ombre	67 cm
Altura de pantalla	36 cm
Dimensiones del soporte de la lámpara	51 cm
El rendimiento del sistema	2 x 12 Watt (max.)
Dimensions	H 192 cm

Descripción

The Vibia Plis Outdoor 4035 is a floor lamp to be used outdoors, completely made out of polyethylene. Thus it is extremely weatherproof. The Plis Outdoor 4035 radiates a very soft light due to its white lacquer and the characteristics of the polyethylene. Especially in the evening this light invites to relax. With IP65 protection, this floor lamp is dustproof and protected against water jets from any angle.

The Vibia Plis Outdoor 4035 has a total height of 192 cm, the lampshade is 36 cm high and has a diameter of 67 cm. The lamp stand is 51 cm in diameter and the cord is embedded into this lamp stand so it is not on the surface of the light. Unlike the Plis Outdoor 4030 this outdoor light is a recessed version and therefore not mobile. This lamp is anchored to the ground with screws and dowels (not included).
