

Vibia

Halo Circular 2330

Technical details

País de la Fabricación	 España
fabricante	Vibia
diseñador	Martín Azúa
protección	IP20
Volumen de suministro	LED
Diámetro en cm	56
material	acero, polimetilmetacrilato
superficie	blanco
ajuste de altura	altura determinada
Atenuación	1-10V regulable
Potencia en vatios	23 W
LED	incluyendo
Indice de reproduccion cromatica	>80
El flujo luminoso en lm	1.726
Temperatura de color en grados Kelvin	3.000 blanco cálido
Dimensiones del dosel	31 cm
altura total	250 cm
Dimensions	Ø 56 cm

Descripción

The Vibia Halo Circular 2330 is a single-lamp pendant lamp with modern LED technology. The designer Martín Azúa created the lamp with a circular annular body lamp of matt white polymethylmethacrylate.

It is height determinable and can be hung up to 250 cm, the lamp can be hung horizontally or diagonally. An efficient LED is included. The lamp is on site dimmable (electronic 1-10V). A DALI or a with Casambi module dimmable version is also available on request. With a Casambi module, it is possible to operate the lamp via smartphone or tablet using the Casambi app via Bluetooth. Casambi technology also offers the option of switching the light on at specific times via a timer. The light emission of the Halo Circular 2330 is gentle and is referred to by Vibia as "almost magical light".
